*“Experience the Friendship”*

Dear CANUSA Friends and Participants,

Well... it's been two years since our last CANUSA Games and I don't think any of us would have imagined the hurdles we've had to overcome to get back together. Unfortunately, we're only together virtually but we can still promote the core goal of the CANUSA Games – Experience the Friendship!

As we can't cross the border yet, we don't have any participants travelling from either Hamilton or Flint but both cities have endeavoured to have our athletes get together in their respective cities. Sports such as swimming, track and field, basketball, bowling, darts, and skeet shooting will run on each side of the border and we'll compare scores at the end of the weekend.

To the sport coordinators, the coaches and volunteers involved this year – the jobs you've done have been unlike any other. I know the participants appreciate it, both cities appreciate it, and the boards of directors appreciate the work you've put in.

On behalf of the Hamilton Branch of the CANUSA Games, I must extend our gratitude to the many sponsors and benefactors who help us continue with this great tradition. This list includes The City of Hamilton Recreation Division and numerous others that can be found on this website.

Most importantly, thank you to all of the athletes and families who continue to make the CANUSA Games a successful event and thank you for continuing to keep the CANUSA Games torch lit. Have a fun, safe and memorable weekend!
